A SCHOOL WITH A DIFFERENCE

Vision

As a Christian educational community within the Anabaptist Mennonite tradition, Westgate Mennonite Collegiate integrates academic learning with growth in character and faith, together with peacemaking and service to God and all creation. Westgate seeks to provide a quality academic education in the context of a faith community, upheld by our Christian values.

Core Commitments

- **Striving for Academic Excellence**
- **Living Lives of Faith and Discipleship**
- **Sustaining a Nurturing Community**
- **Serving our Wider World**

Read more on each Core Commitment on the next page.

We are convinced that learning, at its best, occurs when academics are bound together with faith and positive relationships. This is the vision that has nurtured Westgate for more than 65 years.

We will strive to regularly commit this vision and these goals to God in prayer, and we recognize the importance of the continued support of families and our supporting churches in Winnipeg in this endeavour.

Core Commitments

The aspirations and commitments of Westgate's staff and teachers in their teaching, mentoring, and friendship can be broadly understood in terms of four Core Commitments:

Striving for Academic Excellence

Westgate strives to provide an academic environment which encourages academic excellence within the context of our Anabaptist faith. Westgate will:

- offer a program of academic excellence recognized by both Manitoba Education and institutions of higher learning.
- inspire academic achievement in order to broaden, enrich and challenge students' learning and worldview.
- enrich classroom learning with diverse extra-curricular opportunities for participation and leadership development.
- enable students to weigh educational, life-style, vocational and voluntary service choices that offer healing and hope in our world.

Living Lives of Faith and Discipleship

Westgate strives to provide an environment that encourages students to explore, understand and claim their own faith in Jesus Christ. Westgate will:

- partner with the families and local Mennonite Church Manitoba congregations in the mission of Christian education.
- teach the Bible as the story of God's relationship with us and encourage students to participate in this story and to choose the way of Jesus in daily life.
- lead students to understand, appreciate and identify with people of faith throughout history, with emphasis on the Anabaptist witness of faithful discipleship and service.
- encourage students to belong to and actively participate in their local churches and provide opportunities for students to be involved in service, both locally and globally.
- equip students to discern values in the world in order to responsibly participate and lead in their church, community and global society.

Sustaining a Nurturing Community

Westgate strives to provide a safe, nurturing community where every student is included and encouraged to explore their gifts and find places of involvement and belonging. Westgate will:

- foster a stimulating and safe school environment where students, faculty and staff reconcile individual freedom with mutual accountability and learn a wholesome respect for self and others.
- help to develop respectful and ethical relationships, where each person is valued and where we are accountable for our actions, decisions and behaviours.
- encourage and affirm students to do their very best, whether in academics, leadership, service, athletics, music or the arts.
- give students the direction and the grace they need to succeed.
- be a safe and inclusive space for all of our students.

The education of children is a shared responsibility of the school, the home and the church. Parents and teachers are partners in this endeavour and work together with mutual respect and support.

Serving Our Wider World

Westgate strives to promote healthy relationships between our school and the local and wider community. To that end, Westgate will:

- foster opportunities for students and teachers to give back to the local community.
- inform and invite participation from the community in Westgate events.
- encourage interaction through drama, athletics, music and service.
- encourage healthy living.
- encourage global awareness, working toward fairness and equality in the world.
- teach students to be generous stewards of their time and resources.
- teach students to respect the earth and tend to creation care.

Mission

Westgate Mennonite Collegiate is a Christian school grounded in the Anabaptist tradition. It is the mission of the school to provide a well-rounded education, which will inspire and empower students to live as people of God.

Faith and Spiritual Formation at Westgate

Following the mission statement, Westgate strives to integrate its Mennonite foundation into the life of its program. Our school is grounded in our Anabaptist tradition and focuses on developing Biblical literacy and spiritual reflection. At the same time, we welcome and recognize the different Christian traditions and other faith traditions of our students. In fact, we believe that our foundation as a Mennonite school gives us the obligation to be a welcoming and loving place for all of our students whatever their tradition may be. We often say that we become richer as new students with new traditions become part of our community.

Our schedule includes daily devotions and a weekly chapel. In these activities, students will be invited to sing, pray, and listen to various speakers speak about their faith. Once a year we hold a Spiritual Emphasis Week in which we hold extra chapels, invite guest speakers, and meet in small groups to delve deeper into a topic.

Furthermore, students will take one Christian Studies course in each grade. These courses invite our students to explore their beliefs within the context of a Mennonite school. The courses progress throughout their time at the school. In grades 6-8, students will explore Old and New Testament stories and themes. In grade 9, the focus is on Jesus and the early church. Grade 10 focuses on other religious traditions such as Islam, Judaism, Hinduism, Buddhism, and Indigenous Spirituality. In grade 11, students will enter into the arena of Christian ethics. Finally, in grade 12, the focus is on Mennonite history and theology.

Our hope is that through the progression of these courses and through participation in devotions and chapel, students will gain a deeper and richer understanding of their own beliefs and the beliefs of others.

Partnered with the local church

Westgate is sponsored by thirteen supporting congregations. These churches make up the Mennonite Educational Society of Manitoba, an organization that was founded to operate and maintain Westgate Mennonite Collegiate. According to its constitution, it is the “objective of the corporation to stress the integration of knowledge, to interpret the world and the meaning of life from a Christian perspective, to acquaint students with the Mennonite heritage, to stress Christian values, and to give leadership in education so that the changing needs of the students and the times will be considered.”

The positive relationship between Westgate Mennonite Collegiate and church communities is extremely valuable. Westgate has long been seen as an extension of the

church and we strive to continue partnering with church communities to raise the next generation to be people of God. People with a background of independent Christian school education are strongly represented among our church leaders and active church members. The school needs the church for support, as a sounding board, and as a body to whom the school is accountable.

We seek to maintain strong connections with our churches. We encourage students to remain connected to their own church communities, participating in worship, youth activities, etc. We also regularly visit our supporting churches, leading worship with our senior students.

Teachers and Staff

Teachers and staff at Westgate are committed to creating in students a vision of themselves as effective and life-long learners. The aim is to afford all students an equal opportunity to develop their potential academically, spiritually, physically, socially and emotionally in a manner consistent with the teachings of the Mennonite Church.

ENROLMENT

Admissions Policy

Westgate seeks a strong complement of Mennonite students from its constituent churches at each grade level. That said, all applications are welcome and every effort is made to place each applicant. Note that, because of admission guidelines, limits on class size and resources, Westgate may be unable to offer space or a program for all applicants.

All are welcome to apply!

 [Admissions](#)

 [Application Forms](#)

Application Process

Our application process is done through the ALMA START program on our Westgate website: westgatemennonite.ca

1. All new applicants will be asked to submit an application, references, a **\$50 application fee**, and some relevant educational documentation.
2. Once we have received all parts of the application process (as listed above), Westgate will contact the family to set up an interview. The interview might include people from our administration and resource staff. You do not need to prepare for the interview. We want to get to know you and allow you to get to know us. We will try to give an indication at the end of the interview as to when you might expect to have an answer in terms of acceptance.
3. The following priorities will be used in admitting students
 - a) Returning students in good standing
 - b) Children of members of supporting congregations
 - c) Children of alumni
4. In addition, other factors taken into consideration are academics, class sizes, diversity, educational needs, potential social impact, affiliation with a Mennonite church, attendance at a Mennonite church school (such as Winnipeg Mennonite School (WMS)) and whether applicants are siblings of current students.
5. Once a student has been accepted by Westgate, families will receive an invitation to confirm their attendance in September (Confirmation of Acceptance). Families will then be asked to fill out a more thorough Acceptance Form and pay a **\$200 non-refundable deposit** that will be applied towards their first payment of tuition.
6. Suitable applicants applying after the deadline, or for whom there is no available space, will be placed on a waiting list. As soon as space becomes available, these applicants will be notified.
7. Course Selection will take place in spring.

Fundraising is an extremely important third source of income for the school. Donations made by parents and friends, fundraising events, and direct financial assistance from our member congregations by budget contributions are essential to meeting Westgate's annual budget.

Languages

Westgate has a long tradition of providing excellent French and German language education. Students with little or no French experience can join our regular program and students coming from French Immersion schools can engage in our advanced classes. We have often been able to offer the DELF to our most advanced French students. Our German program also has 2 streams to accommodate both those new to the language and those who are coming from the German Bilingual Program or German speaking families. See below for our language programming:

- Grade 6 - 12 Regular and Advanced French
- Grade 6 - 12 Regular and Advanced German
- Advanced French Certification: DELF
- Advanced German Certification: Sprachdiplom
- Grade 11 Three - month German Exchange Program
- Grade 10 - 11 European Study Tour

International Travel

In keeping with our desire to connect with our wider world, Westgate has a long tradition of creating meaningful and exciting excursions to far off lands. In the past, Westgate has brought students to Guatemala, Paraguay, Peru, India, and Nepal. Currently our international travel program focuses on two study tours. Our grade 10 and 11 students are given the opportunity to use their language skills and connect with German and French culture on the European Study Tour, and our grade 12 students can experience the spiritual and political diversity of the holy land on the Middle East Study Tour. We continue to think about new ways in which we can give students the opportunity to see their place in this diverse world.

Library

The Westgate Library is a place for learning and community. Whether you need a resource for an assignment, want to play a game at lunch, or are looking for your next great read, the library strives to be a place where students and staff can find what they need. The library provides access to a wide array of print materials and online databases, as well as knowledgeable staff to serve the needs of students and staff.

Staying Connected

We use email for our main communication with parents in an effort to reduce the amount of paper that Westgate sends home. Parents/Guardians can expect to receive requests for permission for out of school activities via Permission Click, order forms for Parent Association fundraisers, instructions for online registration for Parent/Teacher Interviews, weekly reminders of upcoming events, etc.

We utilize the Student Information System, Alma. Parents and students are able to access attendance records, course schedules, report cards and more in this platform. Please ensure that the office has your current and most used contact information. You can update this by contacting the office.
